Hoofing It on Maple Days!

The Hills of Shaver-Hill Farm hosted quite a crowd on Saturday and Sunday in Harpersfield, where the big hits were wagon rides with the majestic Percheron teams, maple treats including Maple cotton candy, and delicious pancakes with 100% pure New York maple syrup. — Photos by Trish Adams

THE SAP IS RUNNING — And so is Kirsten Gillibrand (above), Democratic candidate for the 20th Congressional District, who came to Shaver-Hill Farm this weekend from her home in Hudson so her little boy, Theo, could get a taste of Maple Days. Gillibrand announced her campaign at Shaver-Hill last month for the seat currently held by Rep. John Sweeney. She took time between wagon rides to listen to the concerns and ideas of local voters and to chat with Delaware County Democratic Committee Chair Bill Buccheri, who said, "It was great to see Kirsten and her family in Delaware County at a non-political event. She has shown a real interest in Delaware County and the surrounding counties — we have a chance to have real representation in the 20th Congressional District."
